The crew is amazing. I hire them to clean our house before we move in. They didn't disappoint me. The house was spotless. They clean inside cabinets, fridge, stove and more. A top notch At. I'm looking forward working with them again. Thanks for the great service.

Lauren M.

Quality Time Cleaning staff is the best. I was so pleased to see how much they pay attention to details. It feels good to know that trust worthy people are taking good care of my home. I've been client since 2015.

Additional Notes

We do not climb higher than a two-step ladder. Items out of reach will be dusted with an extension duster. While we do our best to clean all visible areas, we cannot move furniture.

Please note that certain fragile or delicate items, such as chandeliers or vaulted ceiling fans, may require special care. Due to the risk of breakage, our team will not handle these items. If you have any concerns about specific items, let us know in advance, and we will exclude them from the cleaning.

Some dust resettlement may occur after cleaning. We make every effort to minimize this but cannot entirely prevent it.

If additional time is required during the cleaning process, our team will promptly inform you upon arrival.

Cancellation and Deposit Policy

We kindly request at least 48 hours' notice for cancellations. This ensures we can adjust our schedule and offer your spot to another client. If a cancellation occurs with less than 48 hours' notice or we are unable to access your home (e.g., no key, code, or someone to let us in), a cancellation fee will be applied.

For Move-In / Move-Out Cleaning, a 50% deposit is required at the time of booking. This deposit helps us organize our schedule, allocate enough time for the service, and ensure all cleaning technicians and resources are properly planned. The deposit will be deducted from the final cleaning price.

Thank You

Thank you for choosing Quality Time Cleaning. Our goal is to give you back your time so you can focus on what truly matters, whether it's spending moments with loved ones, pursuing your passions, or simply enjoying a clean, stress-free space.
