## CLEANING PRODUCTS AND SUPPLIES

MORE THAN A  
DECADE  
TRANSFORMING  
HOUSES

At Quality Time Cleaning, we take pride in using trusted and effective cleaning products to ensure the best results for your home. For an additional fee, we will supply all the necessary cleaning products and equipment. However, if you prefer to provide your own products, we've included a list of recommended cleaning products at the end of this document for your convenience.

While we sanitize and maintain all our tools, including cleaning cloths and vacuums, we recommend having your own high-quality carpet vacuum and cleaning cloths to further minimize cross-contamination.

Please note that green cleaning products or certain personal supplies may not deliver the same results as professional-grade options. We will follow your instructions carefully, but we cannot take responsibility for any damage caused by products we do not provide.
